

We believe that beauty lies in the details: small features that evoke sensations, feelings, and memories. Details are intrinsic to our design – anchored in minimalism, understated, and always elegant. They pair with innovation and technology to create a sense of long-lasting perfection.

Swiss perfection for your home. Since 1913.

Beauty in details

Steaming and baking

Details can be visible or invisible. On the surface, they can change the aesthetic of an object.
At their core, they improve functionality with extraordinary features.

COMBISTEAMER V6000 GRAND

New dimensions in steaming. V-ZUG's flagship steamer combines the advantages of steam with perfectly distributed hot air and a full-surface grill. For chef-level results.

p.9, 10, 11

COMBAIR V6000

The Combair V6000 is an exceptionally powerful oven designed to achieve outstanding results. Equipped with convenient automatic cooking functions and exclusive options, the elegant appliance is fast, efficient, easy to clean and beautiful.

p.12, 13, 16

COMBISTEAMER V6000

This top-level combi-steam oven features all the functions and a full range of automatic programs required for excellent cooking results.

p.12, 13, 15, 17, 18, 19

COMBISTEAMER V6000 POWERSTEAM

The PowerSteam is a combi-steam oven and microwave in one. Up to 40 % faster than any other V-ZUG combi-steam oven – it makes no compromise on quality or flavour.

p.18, 19, 21

Cooking

Top chefs know that details matter. A pinch of salt, or a few seconds longer, can make all the difference.
Details elevate our experience of food, as well as our perception of space.

COMBICOOKTOP V4000

This state-of-the-art hob with integrated extractor fan combines sleek design and powerful airflow with flexible cooking options. For a kitchen that is equal parts functional and aesthetic.

p.25, 26, 27, 28

COOKTOP V6000 FULLFLEX

The FullFlex redefines induction cooking. It offers outstanding flexibility by supporting the use of up to six pots of any shape and size anywhere on the cooking surface. A hob designed to live up to the highest standards of culinary creativity.

p.29, 31

WARMINGDRAWER V4000

The warming drawer gently warms plates and cups before serving and keeps food at the desired temperature. Convenient food preparation options extend the drawers' spectrum of functionality.

p.32

VACUDRAWER V6000

The VacuDrawer V6000 vacuum seals foods for sous-vide cooking, portioning, preserving, storing and marinating. For a chef-like culinary experience.

p.33, 34, 35, 37

AUS DEN DÖRFERN 2020

HANES SCHUSTER
BURGENLAND

Cooling

Details make the design, and design defines the experience.
Curating details paves the way to an outstanding design, for a perfection you can feel with all senses.

WINECOOLER V6000 SUPREME

The WineCooler V6000 Supreme allows users to store, temper and present their cherished wine collection optimally. For a wine experience that embodies excellence.

p.38, 42, 43, 44, 45, 47, 51

WINECOOLER V4000

The WineCooler V4000 90 combines the striking design and height qualities of the Excellence Line with advanced wine cooling functions. For an elevated wine experience.

p.41

COMBICOOLER V6000 SUPREME

The CombiCooler V6000 Supreme boasts functionality and aesthetics at the highest level. Flexible storage space, separate cooling and freezing compartments and the built-in IceMaker create a high-end feel in the kitchen. Every day and on special occasions.

p.44, 45, 47, 48, 49, 51, 52, 53, 55

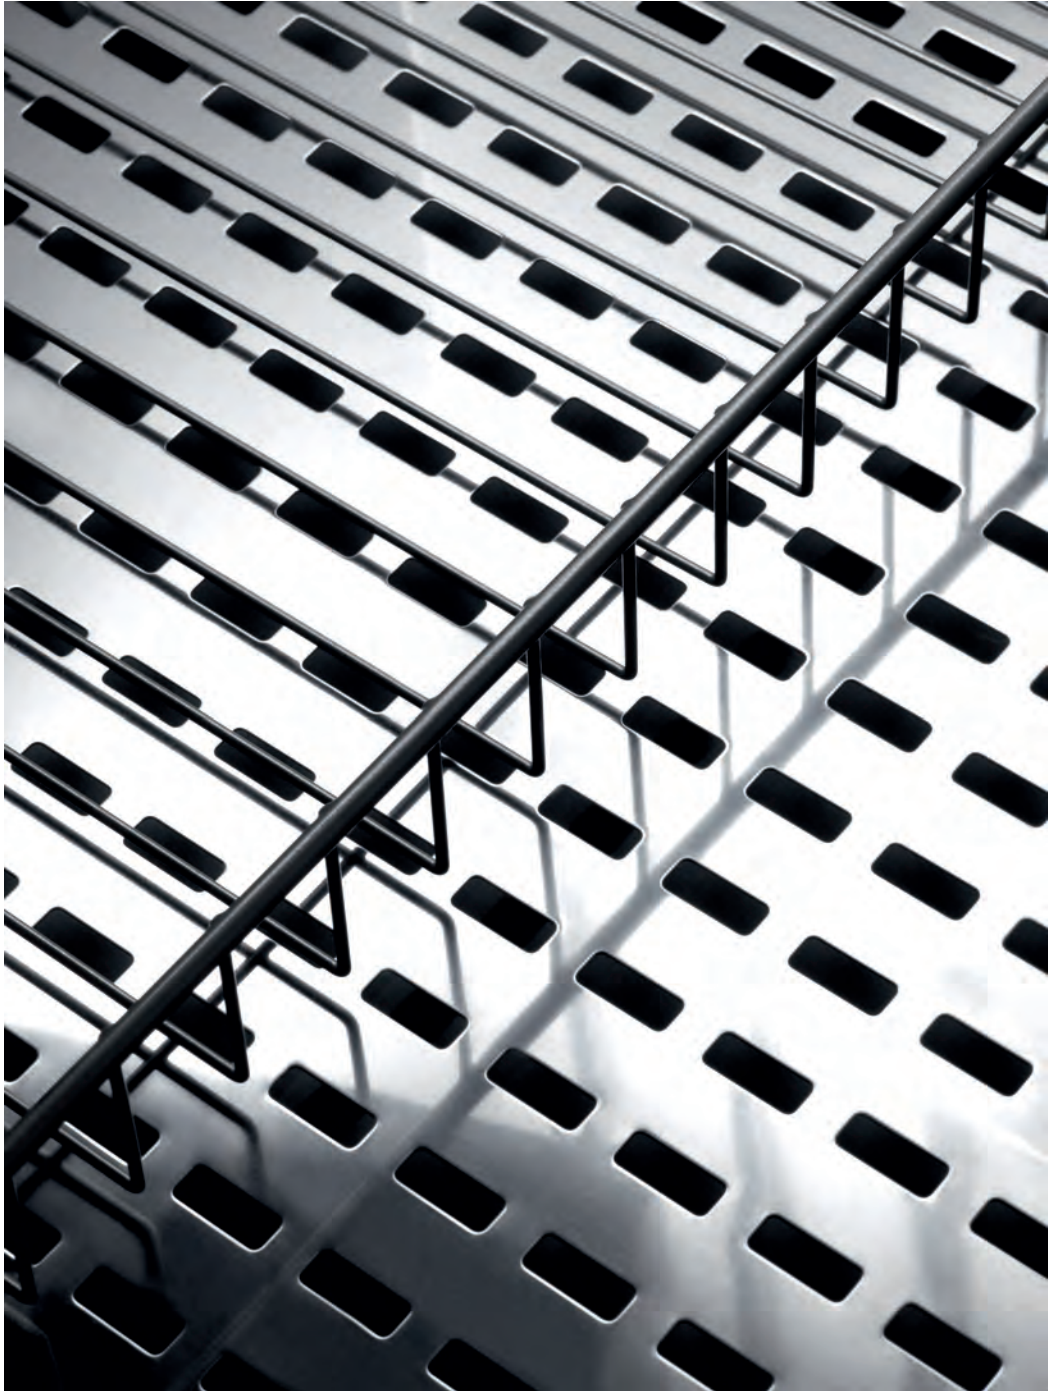

Fabric care

Style lives in the details. For clothes and accessories, cleanliness, freshness, and neatness can elevate a piece from average to excellent.

REFRESHBUTLER V6000

The RefreshButler V6000 refreshes and sanitises even delicate clothes without the use of detergents or mechanical action. A unique V-ZUG innovation developed and hand-crafted in Switzerland.

p.56, 58, 59, 61

For more than 100 years, V-ZUG has made its mission to design state-of-the-art appliances with a focus on precision, design, materiality and longevity. Today, we work hard to bring simplicity to your home and creativity to your kitchen, believing that time is the most important thing, and each one of us should focus on the essential: sharing, hosting, living.
